Book your reservations: www.harrisburg.hilton.com | 1-800-HILTONS

Group Code: PASBA | Cutoff Date: 2/21/20

All school leaders are invited to attend Advocacy Day at the state Capitol in Harrisburg. The Pennsylvania School Boards Association (PSBA), Pennsylvania Association of Intermediate Units (PAIU) and the Pennsylvania Association of School Administrators (PASA) are partnering together to strengthen our advocacy impact. The day will center around meetings with legislators to discuss critical issues affecting public education.

As a membership benefit, there is no cost to register. Your legislator appointments will be coordinated with the completion of your registration. The day will begin with a continental breakfast and issue briefings prior to the legislator visits. Registrants will receive talking points, materials and leave-behinds to use with their meetings. Staff will be stationed at a table in the Main Rotunda during the day to answer questions and provide assistance. Sign up today at myPSBA.org.

Travel expense, accommodations and additional meals are at member expense.
