

Join Pennsylvania's Premier School Leadership Organization!

Pennsylvania Association
of School Administrators

**PASA Business
Membership**

PASA is Pennsylvania's **only** state association that serves chief school leaders. More than 850 of Pennsylvania's superintendents, assistant superintendents, intermediate unit executive directors, cabinet level officers, career and technical school directors, and other school leaders are members of this premier professional organization. **PASA Business Membership offers you the opportunity to receive information and have access to program and event opportunities for school system leaders who determine the purchasing recommendations that ultimately go before the school board.**

As a PASA Business Member at an annual fee of \$500, you will receive a copy of the annual membership directory and our monthly *PASA Flyer* association newsletter. In addition, PASA business partners also are eligible to sponsor PASA events and programs that provide your business with visibility and access to PASA members, a benefit which is **only** available to Business Members and PASA Sponsors. To become a PASA Business Member, please complete the information below:
