Dr. Sherri L. Smith
Executive Director
Pennsylvania Association of School Administrators
2608 Market Place
Harrisburg, PA 17110

Dr. Smith and PASA Members,

Please accept this letter as an expression of my sincere interest in continuing to serve as Treasurer of PASA.

Serving in this role over the past two years has been both an honor and a deeply rewarding experience. I have great respect for PASA's professionalism, mission, and values, and I am grateful for the opportunity to contribute meaningfully to the organization and its membership.

I remain fully committed to supporting the important work PASA performs on behalf of its members and to strengthening the services and support that benefit our educational leaders. As a PASA member for the past twelve years, I have experienced firsthand the impact of a strong, responsive professional organization.

My ten years as Superintendent of the Moshannon Valley School District, along with my current role as Assistant Superintendent of the Penns Valley Area School District, have provided me with extensive experience in school finance and organizational leadership. In addition, my more than eight years of service on the Legislative Committee, and the honor of receiving the 2023 PASA Service to Profession Award, have deepened my understanding of PASA's value and the importance of aligning its resources with member needs.

Financial stewardship has long been one of my core professional strengths. My experience in budgeting, financial planning, investment oversight, and long-term fiscal management, particularly within a rural district committed to fiscal responsibility, has prepared me well to continue serving as Treasurer. I am proud that PASA remains financially strong, and I am committed to working collaboratively with the executive committee to ensure continued transparency, integrity, and strategic foresight.

I consistently attend PASA legislative events in Harrisburg, as well as committee and Board of Governor's meetings, and I will continue to fulfill all responsibilities of the Treasurer with diligence and an active presence at PASA functions as needed.

Thank you for the opportunity to submit my candidacy for continued service as Treasurer of PASA. I respectfully ask for your support and would be honored to continue serving our membership in this capacity.

Respectfully,

John W. Zesiger, Ed.D.
